

2023 AHA Symposium Sponsorship Proposal

25 November 2023

Royal on the Park, QLD

*The Science of
Hypnotherapy*

Australian Hypnotherapists' Association

Welcome from the AHA President

The AHA is excited to present *The Science of Hypnotherapy* – a contemporary event bringing together the best Hypnotherapy knowledge available today. As the longest running Hypnotherapy Association in Australia, (established 1949) the AHA prides itself on a high level of professionalism amongst its members.

Our members (over 800) undertake mandatory professional development annually and our membership across Australia is growing to meet increasing demand for high quality Hypnotherapy services.

By sponsoring to the 2023 AHA annual symposium, you can be assured of our professional integrity, and of broad exposure of your sponsorship investment to all members and associates. We thank you in advance for your support of this significant event.

About the Symposium

The 2023 annual AHA Symposium is focused on the theme of *The Science of Hypnotherapy*. Throughout the day delegates will hear from national and international speakers on the Symposium theme, as well as the opportunity to network with their fellow AHA members and other attendees. This year's event will be a hybrid experience with an estimated 100 in person delegates and the capacity for many more joining us virtually.
